intuit quickbooks

Is your business ready for the cloud?

Our team knows how to help business thrive in the cloud. We also know that every business has different needs. Find out if QuickBooks Online is right for you.

Your business will thrive on cloud accounting if...

You want to be free to work where and when you want. QuickBooks Online brings you the power and efficiency of the cloud with real-time access to your books from any mobile device or computer.

Your business is multi-user or multi-location. A single QuickBooks Online Plus account can be used by up to five people, and multiple users can work on one file at the same time.

You want to make it easier to work with your accountant. QuickBooks Online lets our team access your books remotely to answer questions, fix problems, and get you ready for tax time.

You want to customize QuickBooks to fit your business. QuickBooks Online integrates with over 400 apps, so you can customize it to fit your unique needs and challenges.

You are tired of investing time and money in software upgrades. QuickBooks Online is zero maintenance software. It updates automatically so that you always have the latest software without the hassle.

1. Online services vary by participating financial institutions or other parties and may be subject to application approval, additional terms, conditions, and fees.

2. Based on Intuit Survey, 2014.

3. Each application subject to additional terms, conditions and fees.

4. QuickBooks Online requires a computer with a supported Internet browser (Chrome 41 or later, Firefox 36 or later, Internet Explorer 10 or later, Safari 6.2 or later) and an Internet connection (a high-speed connection is recommended). The QuickBooks Online mobile app works with iPhone, iPad, and Android phones and tablets. Devices sold separately; data plan required. Not all features are available on the mobile apps and mobile browser. QuickBooks Online mobile access is included with your QuickBooks Online subscription at no additional cost. Data access is subject to cellular/internet provider network availability and occasional downtime due to system and server maintenance and events beyond your control. Product registration required.

5. Phone support is free during the 30-day trial and included with your paid subscription to QuickBooks Online. Phone support is available Monday through Friday between 6 am - 6 pm PST. Your subscription must be current. Intuit reserves the right to limit the length of the call.

6. QuickBooks Online uses technical and administrative security measures such as, but not limited to, firewalls, encryption techniques, and authentication procedures, among others, to work to maintain the security of your online session and information.

7. QuickBooks Online - Data access is subject to cellular/internet provider network availability and occasional downtime due to system and server maintenance and events beyond your control. Product registration required. QuickBooks Desktop - QuickBooks Plus Solutions Hosting Service (powered by Right Networks) uses top-tier data centers and multiple layers of redundancy within its infrastructure to provide 24x7 availability. However, availability can vary, is subject to occasional downtime and may change without notice. Right Networks encrypts all backup files and backup tapes. Virtual desktop connections are protected via financial services industry-leading encryption and authentication. Each customer has a unique Right Networks virtual desktop. Access to each QuickBooks company file is controlled at multiple layers including file access permissions. Access is locked out after multiple failed login attempts for the same user. Security features, functionality and access are subject to change without notice as deemed necessary by Right Networks Test.

8. QuickBooks Online Essentials includes 3 user licenses. QuickBooks Online Plus includes 5 (or more) user licenses.

9. Invite up to two accounting professionals, such as your accountant or bookkeeper, to access your data. Once they accept your invitation they will automatically get signed up for QuickBooks Online Accountant, allowing them to access your data.
